WELCOME

One exporter for your whole range

Yavatmal Trading LLP is an Indian exporter of food and FMCG. We supply importers, distributors and retailers abroad with our own range of 200+ products, made to our specifications, checked by our team and shipped from India.

This catalogue shows our core range. Every product is packed to order, so tell us the format you need: retail packs for the shelf, foodservice packs for kitchens, or your own label. Need a product or format that isn't listed? Ask us.

Full Container

One product, a whole container. Producer-direct pricing for buyers who move volume in a single line.

Mixed Container

Many products, one container. Fill a single load from across the range, on one invoice and one bill of lading.

Private Label

Your brand on Indian products, with artwork checked against your market's labelling rules before print.

Branded Products

300+ Indian brands like Haldiram's, MDH and Parle, bought on invoice from authorised distributors.

How to order

01 **Pick your products.** Note the Ref number under each one.

02 **Tell us your market and port.** Add rough quantities and the formats you want.

03 **Get a quote within one working day.** Prices EXW, FOB, CFR or CIF, with a load plan and the right container size.

04 **Approve samples.** Recipe, pack and shelf life are agreed in writing.

05 **We inspect, load and ship.** Photos at loading, documents for your market, one bill of lading.

Don't see your brand? If it's sold in India, ask us. Send us the brand, product and cartons you need and we'll price every line we can supply.

YOUR OWN LABEL

Your brand. Made in India.

Any product in this catalogue can be packed under your label: jars, bottles, tins, pouches, tubs and cartons. Start with a few lines inside a mixed container, or book a full load of one.

01 **Brief.** The products you want and the market you sell in.

02 **Artwork.** Your design fitted to each pack and checked against your market's labelling rules.

03 **Sample.** You approve the product and the printed pack before production.

04 **Production and shipping.** Inspected, loaded and shipped with your documents.

Send us your list.
We'll price every line.

Tell us the products, your market and your port. We reply within one working day with prices, a load plan and the right container size.
